Teaching Replacement Remuneration Policy
August 21, 2015
Committee Members: John Raymond, Larry Clark, Julie Brown

The Committee was tasked by Drama Council with recommending appropriate remuneration when an instructor hires a replacement for him/herself.

**The Policy:**
That the Chair be informed about any and all financial arrangements (through the Agreement form) regarding replacement instructors prior to the replacement occurring and the replacement be paid no less than $75.00 per hour for each hour of class contact time.

The Committee established the following parameters:

1. The Policy is NOT applicable to arrangements amongst full-time Faculty members, the FSO’s and the Production APO. It is only applicable to full-time Faculty, FSO’s and CAST members who are replacing themselves with someone other than full-time Faculty members, the FSO’s or the Production APO.

2. The Policy is for a replacement instructor not a guest.

3. The Policy is for a minimum payment per hour for a class replacement when the instructor of record is absent and the replacement is teaching alone.
