Department of Music: Language Requirement Approval Form

*As per the policy set forth by the Department of Music Graduate Committee, students whose mother tongue is not English may use their native tongue to fulfill the language requirement IF the language is related to the student’s area of research. The supervisor can confirm this by submitting the below form to the graduate administrator.

*Note this form is for mother tongue languages only. All other language skills must be evaluated through the Department of Modern Languages and Cultural Studies via a translation exam or course work.

A. To be completed by the student:

Student Name:___________________________  ID:___________________________

Program:___________________________

____________________________________________________________________________________

B. To be completed by the Supervisor:

I declare that (student name)__________________ is fluent in (insert language)__________________ and this language is directly related to his/her area of research. As such, this serves to meet the fulfillment of one approved language for the (insert degree) ______________ degree.

____________________________________________________________________________________

Name (please print)  Signature  date

C. To be Completed by the Graduate Coordinator/Department Chair:

____________________________________________________________________________________

Name (please print)  Signature  date
